ABOUT THE BOARD

The Alabama Historical Records Advisory Board (HRAB), created by law in 2006, is responsible for providing leadership and guidance to identify, preserve, and provide access to Alabama's historical records. The Board also works to strengthen public awareness of the uses and value of these records.

MISSION STATEMENT

The Alabama Historical Records Advisory Board (HRB) provides leadership and guidance to identify, preserve, and provide access to Alabama's historical records. The Board also promotes a strengthened awareness of the importance of historical records to policy makers and to the public, and it serves as the agent in Alabama of the National Historical Publications and Records Commission.
